Time to visit the dentist!

If you have TennCare Medicaid, dental benefits are available to you during your pregnancy and 12 months after delivery.

A healthy mouth can mean better health for you and your baby now and in the future. Routine and emergency dental care are safe during pregnancy.

DentaQuest can help you find a dentist. Call **855-418-1622** or go to **dentaquest.com/state-plans/regions/tennessee/**

Update your TennCare Connect account to tell us that you are pregnant by calling 855-259-0701 or go to tenncareconnect.tn.gov/ to "Report a Change"

Schedule at least two doctor's visits after delivery!

If you have TennCare Medicaid and you are pregnant, you will now keep your health care for 12 months following childbirth.

- Be sure to talk to your doctor about your physical and mental health.
- If you have complications during or after pregnancy, continue to see your doctor.
